(c) If the county applies the deduction under IC 6-1.1-12-41 for property taxes first due and payable in 2004, the department shall compute the adjustment under subsection (a)(1) to allow a levy for the fund for which the property tax rate is levied that equals the levy that would have applied for the fund if:

SECTION 5. IC 6-3.5-7-25, AS ADDED BY P.L.192-2002(ss), SECTION 127, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 25. (a) This section applies only to a county that has adopted an ordinance under IC 6-1.1-12-41(f).

(b) For purposes of this section, "imposing entity" means the entity that adopted the ordinance under IC 6-1.1-12-41(f).

(c) The imposing entity may adopt an ordinance to provide for the use of the certified distribution described in section 16(c) of this chapter for the purpose provided in subsection (e). A county income tax council that adopts an ordinance under this subsection shall use the procedures set forth in IC 6-3.5-6 concerning the adoption of an ordinance for the imposition of the county option income tax. **Except as provided in subsection (j),** an ordinance must be adopted under this subsection after January 1 but before April 1 of a calendar year. The ordinance may provide for an additional rate under section 5(p) of this chapter. An ordinance adopted under this subsection:

(1) first applies to the certified distribution described in section 16(c) of this chapter made in the calendar year that immediately succeeds the calendar year in which the ordinance is adopted;

(B) allocated increased homestead credits as provided in subsection (h).

An ordinance adopted under this subsection may be combined with an ordinance adopted under section 26 of this chapter.

C
o
p
y

purpose provided in subsection (e) shall be:

- (1) retained by the county auditor under subsection (g); and
- (2) used for the purpose provided in subsection (e) instead of the purposes specified in the capital improvement plans adopted under section 15 of this chapter.

(e) If an ordinance is adopted under subsection (c), the imposing entity shall use the certified distribution described in section 16(c) of this chapter to increase the ~~percentage of the~~ homestead credit allowed in the county under IC 6-1.1-20.9 for a year to offset the effect on homesteads in the county resulting from a county deduction for inventory under IC 6-1.1-12-41.

(f) If the imposing entity specifies the application of uniform increased homestead credits under subsection (c)(3)(A), the county auditor shall, for each calendar year in which an increased homestead credit percentage is authorized under this section, determine:

- (1) the amount of the certified distribution that is available to provide an increased homestead credit percentage for the year;
- (2) the amount of uniformly applied homestead credits for the year in the county that equals the amount determined under subdivision (1); and
- (3) the increased percentage of homestead credit that equates to the amount of homestead credits determined under subdivision (2).

~~(f)~~ (g) The increased percentage of homestead credit determined by the county auditor under subsection ~~(e)~~ (f) applies uniformly in the county in the calendar year for which the increased percentage is determined.

(h) If the imposing entity specifies the application of allocated increased homestead credits under subsection (c)(3)(B), the county auditor shall, for each calendar year in which an increased homestead credit is authorized under this section, determine:

- (1) the amount of the certified distribution that is available to provide an increased homestead credit for the year; and
- (2) an increased percentage of homestead credit for each taxing district in the county that allocates to the taxing district an amount of increased homestead credits that bears the same proportion to the amount determined under subdivision (1) that the amount of inventory assessed value deducted under IC 6-1.1-12-41 in the taxing district for the immediately preceding year's assessment date bears to the total inventory assessed value deducted under IC 6-1.1-12-41 in the county for the immediately preceding year's assessment date.

(g) (i) The county auditor shall retain from the payments of the county's certified distribution an amount equal to the revenue lost, if any, due to the increase of the homestead credit within the county. The money shall be distributed to the civil taxing units and school corporations of the county:

- (1) as if the money were from property tax collections; and
- (2) in such a manner that no civil taxing unit or school corporation will suffer a net revenue loss because of the allowance of an increased homestead credit.

(j) An entity authorized to adopt:

- (1) an ordinance under subsection (c); and**
- (2) an ordinance under IC 6-1.1-12-41(f);**

may consolidate the two (2) ordinances. The limitation under subsection (c) that an ordinance must be adopted after January 1 of a calendar year does not apply if a consolidated ordinance is adopted under this subsection.

An ordinance adopted under this subsection:

- (1) first applies to the certified distribution described in section 16(c) of this chapter made in the later of the calendar year that immediately succeeds the calendar year in which the ordinance is adopted or calendar year 2007; and
- (2) must specify that the certified distribution must be used ~~for the purpose to provide for:~~

(A) uniformly applied increased homestead credits as

provided in subsection ~~(e)~~ **(f)**; or

(B) allocated increased homestead credits as provided in subsection (h).

An ordinance adopted under this subsection may be combined with an ordinance adopted under section 25 of this chapter.

(d) If an ordinance is adopted under subsection (c), the percentage of the certified distribution specified in the ordinance for use for the purpose provided in subsection (e) shall be:

(1) retained by the county auditor under subsection (g); and

(2) used for the purpose provided in subsection (e) instead of the purposes specified in the capital improvement plans adopted under section 15 of this chapter.

(e) If an ordinance is adopted under subsection (c), the adopting entity shall use the certified distribution described in section 16(c) of this chapter to increase the ~~percentage of the~~ homestead credit allowed in the county under IC 6-1.1-20.9 for a year to offset the effect on homesteads in the county resulting from the statewide deduction for inventory under IC 6-1.1-12-42.

(f) If the imposing entity specifies the application of uniform increased homestead credits under subsection (c)(2)(A), the county auditor shall, for each calendar year in which an increased homestead credit percentage is authorized under this section, determine:

(1) the amount of the certified distribution that is available to provide an increased homestead credit percentage for the year;

(2) the amount of uniformly applied homestead credits for the year in the county that equals the amount determined under subdivision (1); and

(3) the increased percentage of homestead credit that equates to the amount of homestead credits determined under subdivision (2).

~~(f)~~ **(g)** The increased percentage of homestead credit determined by the county auditor under subsection ~~(e)~~ **(f)** applies uniformly in the county in the calendar year for which the increased percentage is determined.

(h) If the imposing entity specifies the application of allocated increased homestead credits under subsection (c)(2)(B), the county auditor shall, for each calendar year in which an increased homestead credit is authorized under this section, determine:

(1) the amount of the certified distribution that is available to provide an increased homestead credit for the year; and

(2) an increased percentage of homestead credit for each taxing district in the county that allocates to the taxing district

an amount of increased homestead credits that bears the same proportion to the amount determined under subdivision (1) that the amount of inventory assessed value deducted under IC 6-1.1-12-42 in the taxing district for the immediately preceding year's assessment date bears to the total inventory assessed value deducted under IC 6-1.1-12-42 in the county for the immediately preceding year's assessment date.

(g) (i) The county auditor shall retain from the payments of the county's certified distribution an amount equal to the revenue lost, if any, due to the increase of the homestead credit within the county. The money shall be distributed to the civil taxing units and school corporations of the county:
